

APPLICATION FORM ADO DEN HAAG CLUB CARD

To be able to visit home games of ADO Den Haag, it is best to be the holder of an ADO Den Haag Club Card. Every holder of an ADO Den Haag Club Card can buy one ticket for every match (also against big clubs like Ajax, PSV and Feyenoord) and for several matches even four tickets at a time at every Ticketboxcounter in the city.

It also gives you the possibility to purchase gametickets for the away games of our team.

With this Club Card it is not possible to buy tickets for games of another professional football organization.

A couple of important benefits of the Club Card:

- Purchasing tickets through the Online Ticket Office from ADO Den Haag (the cheapest way to buy a ticket)
- Purchasing tickets through the Ticket Box Offices
- You have priority in regular open ticketsales to buy tickets first
- Right to buy tickets for away games
- Right for purchasing tickets for play-offs and European games
- Right for purchasing tickets for topgames (C matches), for example: Ajax, Feyenoord, FC Utrecht
- Right for purchasing four tickets for A and B matches
- When the Club Card is expired after 5 years, you will receive a message from ADO Den Haag. We won't send you a new Club Card automatically.
